DECLARATION OF PAIGE A. JOHNSON

I, Paige A. Johnson, having personal knowledge of the facts set forth herein, hereby declare and say as follows:

1. I am employed by BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN, as a Legal Secretary. My supervisor is Lawrence E. Lycke.

2. On June 28, 2002, at the request of Lawrence E. Lycke, I sent a letter to Karl Allen; home address of 3732 SW Dosch Court, Portland, OR 97221, enclosing a copy of the Application and drawings as filed with the USPTO together with a new Declaration and Power of Attorney pursuant to 37 C.F.R. § 1.63 for his signature via FEDEX Priority Overnight. Also included with this correspondence was a self-addressed, prepaid FEDEX envelope to facilitate the return of the executed document to Mr. Lycke. This was done because there

was an error in the previous Declaration he had signed. The citizenship of two (2) inventors was inadvertently omitted. (Exhibit 1).

3. On July 2, 2002, at the request of Lawrence E. Lycke I tracked the FEDEX package on the FEDEX web page and confirmed that it was received on June 29, 2002 at 11:42 a.m. In addition, I also tracked the "return" waybill and it was confirmed that it had not been received by FEDEX. (Exhibit 2).

4. On July 9, 2002, at the request of Lawrence E. Lycke I sent an email to Mr. Karl Allen at Intel requesting that he print out the Declaration, sign the document, and fax it to our office immediately. I also attached electronic copies of the Application as filed and Declaration and Power of Attorney. (Exhibit 3).

5. On July 10, 2002, I left a voice mail for Michael Payne to inquire if he had contact information for Karl Allen. He returned my phone call at 5:30 p.m. and advised that he did not have any contact information for him. He also stated that Karl Allen was no longer with Intel. (Exhibit 4).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dated: July 15, 2002

Paige A. Johnson
